About Us

Kripa Plastic Industries, a Mumbai, Maharashtra (India) based Manufacturer, Supplier & Exporter, specializes in the production of high-quality plastic products for packaging. We understand the importance of distinctive packaging in a consumer-driven environment and therefore, offers expertise in delivering packaging solutions for markets, like pharmaceuticals and personal care products. We export few percentage of our complete, yearly production to countries, like Sri Lanka and Nepal. We have developed a string foothold in many regions of these countries, and look forward to enhance our presence in other countries as well.

We design and develop an extensive range of over 20 plastic products in different sizes, shapes and colors. Our product range comprises Cosmetic Containers, Jelly Containers, Plastic Dropper Bottles, Plastic Container Caps, Toner Bottles, Plastic Tablet Containers, Jerry Can and Plastic Jerry Can ; to name a few. We can manufacture standard as well as custom range, in terms of size, material, color, etc.

Our company employs over 12 people in our infrastructural set-up, with excellent transport links to the main road network. Everything is executed in-house, on site - from concept design, through production. Our professionals in the company follow a planned approach for each project- Listen and address client goals, design, execute and deliver.
