## About Us

Maharashtra (India) based Adisha Enterprise has become a renowned brand to acquire different kinds of Electrical Films, Packaging Films, Thermal Laminations, Electrical Insulations, Polyester Films and more that are used for various industrial purposes. Established in the year 2007 as a manufacturer, supplier, trader, exporter and distributor, we have proved our domain excellence in a significant style.

Located in Maharashtra (India), Adisha Enterprise has found a strong foothold in its domain by offering its range of quality approved Poly Films. Since foundation of our company in 2007 as an exporter, supplier, trader, distributor and manufacturer, we have earned the respect of our trusted clients around the globe. Our offered series of products includes Electrical Films, Packaging Films, Thermal Laminations, Electrical Insulations, Polyester Films and others. Use of finest raw material in the production process makes these products highly demanded by our patrons for features like scratch resistance, weather resistant, damage-resistant and durability. Further, owing to our strong infrastructural background, we successfully deliver all manufactured goods as per schedules.
