## About Us

Established in the year 2009, we, Shivam Seating Systems have grown as a profound manufacturer, trader and supplier of Office Furniture, Modular Office Furniture, Chairs, Tables and Modular Work Stations. We are specialized in manufacturing these products for offices, school, colleges and other places. We design our range as per current market trends and interest of the customers. Our range is so appealing in nature that it has grasped the attentions of numerous reputed companies such as Hindus Colco Bue Pot, Venkateshwara Hachen pvt ltd, L& T Total and Sanvo Tech. We have masterly designed our array with quality woods, which we procure from reliable vendors.

To streamline every activity of our firm, we have divided our unit into various departments. The wings such as administrative, marketing, finance, advertising, manufacturing, etc., work in coordination with each other for attainment of customer utmost satisfaction. We supply the consignment to customer premises in stipulated period of time with the help of our experienced C&F agents. We use truck and other heavy vehicles for express delivery of the products. The range is offered to the patrons at most industry leading prices suiting to their pocket sizes. All our efforts have helped us in developing and maintaining cordial and mutually beneficial relationship with the clients.
