## About Us

Shri Karvir Nivassini Mahalaxmi Ispat Pvt. Ltd. is a widely known and Maharashtra located company, which has been working as Manufacturer & Exporter and bringing forth TMT Reinforcement Steel Bars, TMT Steel Bars, TMT Reinforcement Bars (of sizes 8mm, 10mm, 12mm, 16mm, 20mm, 25mm, 28mm, 32mm) and TMT Quenching Systems. All our offerings are known for their strength, life and built. To produce excellent quality products, we have equipped our production unit with modern machines. Mr. Jitendra P. Gandhi is the Director of this company who has been promoting it on Indian and International platforms to aid customers residing in Indian and International markets in buying quality at reasonable rates.

The company has an associated unit- Shri Mahalaxmi Steel Industries, which came into being in the year 1973 to bring forth rolled steel products like reinforcement steel bars, flat, square bars and others. In 1989, our associated unit expanded its activities to fabrication of high yield cold twisted deformed bars. Because of quality production, M/s. TOR Allies Engineering as well as The "TOR - ISTAG" Steel Corporation of Luxemburg suggested collaboration, and we got the opportunity to mark our steel bars with TOR. The new unit of this company which is our company (Shri. K.N. Mahalaxmi Ispat (P) Ltd.) commissioned in the year 1995 to bring forth M. S. Ingots. From a wide variety of products we manufactured and supplied, TMT Steel Bars of various lengths and diameters gained most appreciation and worldwide acceptance because of quality. To manufacture these bars, we have recently invested a large sum of money in TEMPCORE technology. This technology is needless to say modern and gives better strength and elongation to products. Thermo quenching system as well as machinery used provides perfect mechanical strength to our offerings, as per IS 1786. The complete system is automated, thus needless to cite it is controlled by computers. The new unit of our associated company commissioned in the year 2006 July.

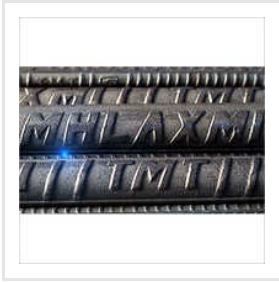

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	FE 500 TMT bars, reinforcing steel bars, steel bars, concrete reinforcing bars, MAHALAXMI TMT, MHLAXMI TMT, tmt iron bar, tmt rods, tmt steel bars
<b>No of Staff</b>	100
<b>Year of Establishment</b>	1994
<b>No of Production Lines</b>	1
<b>OEM Service Provided</b>	Yes
<b>Monthly Production Capacity</b>	500 tonn
<b>Memberships</b>	Confederation of Indian Industry; All India Steel Re-Rollers Association; All India Induction Furnace Association; Gokulshirgaon Manufacturing Association; Western Maharashtra Steel Manufacturing Association;
<b>ProductRange</b>	FE 500 TMT bars, reinforcing steel bars, steel bars, concrete reinforcing bars, MAHALAXMI TMT, MHLAXMI TMT, tmt iron bar, tmt rods, tmt steel bars
