

TEAM RADIATOR

Our Service, Your Satisfaction

2 Stage Air Washer Cooler, 200 TR Shell And Tube Condensers, Air Cooled Condensers, Air Cooled Water Chillers, Air Handling Systems, Air Washer Cooler, Ammonia Air Cooling Units, Ammonia Blast Freezer Evaporators, Central Heating Panels Radiators, Chilled Water AHU Coil., Chilled water High Wall Fan Coil Units, Cold Room Evaporator, Cold Room Evaporator Unit, Cooper Evaporator Coil, Cooper Oil Cooler, etc.

CHILLED WATER HIGH WALL FAN COIL UNITS

200 TR SHELL AND TUBE CONDENSERS

INDUSTRIAL HEAT EXCHANGER

About Us

Universal Industries is a trusted manufacturer and supplier of advanced air cooling and heat exchange solutions, dedicated to meeting diverse industrial requirements. Since its inception, the company has focused on delivering efficient and reliable systems that enhance operational performance. With a commitment to quality and innovation, we continue to support businesses with dependable products and professional service standards. We offer a wide range of products including Air Conditioning Equipment, Industrial Evaporators, Air Cooling Units, Air Washer Cooler and Steam Radiator. Each product is designed with precision and developed using modern technology to ensure durability and optimal functionality. Our solutions are engineered to deliver consistent cooling and heat management performance across different industrial applications.

Based in New Delhi, Delhi, India, our organization is backed by a well-equipped infrastructure and advanced production facilities. Our experienced team of engineers and technicians works with a focus on quality and continuous improvement. We follow systematic manufacturing processes and maintain strict quality checks to ensure every product meets industry standards and customer expectations. We prioritize understanding client requirements and delivering solutions that align with their specific needs. Our approach emphasizes reliability, timely delivery, and responsive customer support. We strive to provide a smooth and efficient experience, ensuring that our products contribute effectively to the operations of our clients.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	flat panel radiators,panel radiators,
No of Staff	28
Year of Establishment	2017
OEM Service Provided	No
ProductRange	flat panel radiators,panel radiators,

Our Products

Double Skin Air Handling Unit

Cooper Oil Cooler

SS Tube Heat Exchangers

Fan Coil Unit

Industrial Steam Radiator

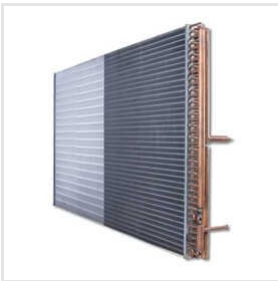

Cooper Evaporator Coil

Cooper Refrigeration Coils

Chilled Water AHU Coil.

Direct Expansion Cooling Coil

Heat Transfer AHU Coil

Ammonia Blast Freezer Evaporators

SS Tube Heating AHU Coil

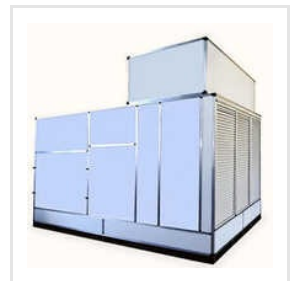

Copper Fin Cooling Coil

Cold Room Evaporator Unit

Cold Room Evaporator

Factory Air Cooling System
