About Us

TechnoValue Solutions Pvt. Ltd., founded in 2011 and headquartered in Navi Mumbai, Maharashtra, is a reputable manufacturer, trader, and supplier of high-precision measurement and monitoring instruments. Our offerings include Indoor Air Quality Meters, Thermal Anemometer, Handheld Particle Counter, Hydronic Manometer designed to deliver accurate and dependable results across a wide range of applications.

Serving industries such as HVAC, clean room operations, environmental monitoring, and occupational safety, our solutions are crafted with precision engineering and stringent quality control. We pride ourselves on delivering not just reliable products but also responsive service and tailored support to meet specific client needs.

Key Facts

| | |
|---------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Nature of Business | Distributor |
| Primary Competitive Advantages | digital flame photometer,aerosol generator,particle counter,clean room validation services,Contamination control instruments,hvac services,hvac duct,anemometer,Anemometer,temperature data logger |
| No of Staff | 70 |
| Year of Establishment | 2011 |
| No of Production Lines | 1 |
| OEM Service Provided | No |
| ProductRange | digital flame photometer,aerosol generator,particle counter,clean room validation services,Contamination control instruments,hvac services,hvac duct,anemometer,Anemometer,temperature data logger |

Our Products

**Emtek V100 Cleanroom
Validation Microbial**

**9306 AeroTrak
Handheld Particle**

IUL Spin Air Sampler

**Emtek P100 Portable
Microbial Air Sampler**

**IUL Sphereflash
Automatic Colony**

**9303 AeroTrak
Handheld Particle**

**IUL DOT Manual Colony
Counter**

**3007 Condensation
Particle Counter**

**8525 P-Trak Ultrafine
Particle Counter**

**M32-01 Aerosol
Sampling Manifold**

**7201 AeroTrak-Plus
Remote Particle**

**7510 AeroTrak-Plus
Remote Particle**

**TVSPL High Pressure
Diffuser**

**7110 AeroTrak Remote
Particle Counter**

**7960 AeroTrak High
Pressure Diffusers**

**9510-BD BioTrak Real
Time Viable Particle**
