## About Us

We, Shree Giriraj Polyplast, have been a synonym of product reliability and quality excellence since we planted business roots as a trader, wholesaler and manufacturer in 2011. With the specific goal of delivering best in breed Plastic Kitchen Utensils, today, we are dealing in a range of finely crafted Plastic Glasses, Plastic Bowls, Plastic Containers, Plastic Egg Tray, etc. All these products are produced adopting biodegradable materials and A grade plastic in compliance with set food safety standards of the industry. Besides, we have experts who make product customization possible and help us create customized variants of all these aforesaid products and more.

Mr. Satyakam Moteria, holding the position of CEO of our company, has been acting as our guiding light. Relying on his leadership and business management skills, we have attained a winning edge and prospered like no other company in a short span of time.
