32KW OIL DISTILLATION PLANT

SS OIL DISTILLATION PLANTS

**415V GLYCERINE DISTILLATION
PLANT**

About Us

VR Process Engineering Consultant Pvt. Ltd. is the number one choice of several customers in the industry. We are recognized as a reputed manufacturer, supplier, and service provider, specializing in high-performance industrial machines. Proving to be worthy of the money spent on it, each of our SS Automatic Solvent Recovery Plants, Semi Automatic Wiped Film Evaporators, Chemical Process Equipments, Rotary Vacuum Paddle Dryers, Stainless Steel Chemical Reactors, and other products is in popular demand among a large pool of customers. Our products are popular for their sticking features, such as extraordinary durability, design, resistance to corrosion, etc. Furthermore, our Engineering Consultant Services, Erection Services, Turnkey Projects, etc. are noted for their reliability and promptness. Therefore, both our products and services are worth investing in.

Based in Chennai (Tamil Nadu, India), we, VR Process Engineering Consultant Pvt. Ltd., are one of the preeminent manufacturers, suppliers, and service providers in the industry. Our product line includes Stainless Steel Chemical Reactors, Rotary Vacuum Paddle Dryers, Chemical Process Equipments, Semi Automatic Wiped Film Evaporators, SS Automatic Solvent Recovery Plants, and others. Each product is perfectly manufactured in compliance with industrial norms. Thus, our items are longer-serving, uniquely designed, and fluent in performance.

Key Facts

No of Staff	10
Year of Establishment	2013
No of Production Lines	2
OEM Service Provided	Yes

Our Products

**Stainless Steel Rotary
Vacuum Paddle Dryer**

**SS Falling Film
Evaporator**

**SS Automatic Solvent
Recovery Plant**

SS Distillation Columns

**SS304 Agitator
Pressure Vessel**

**260HP Fish Waste
Rendering Plant**

**30kw Biodiesel
Production Plant**

**Chemical Process
Equipment**

**Stainless Steel Steam
Distillation Plant**

**Three Phase Liquid
Extraction Plant**

**SS Molecular
Distillation Unit**

**350HP Chicken Waste
Rendering Plant**

**Stainless Steel
Chemical Reactor**

**SS Industrial Chemical
Reactors**

**Stainless Steel 304
Industrial Reactor**

**Semi Automatic Wiped
Film Evaporator**
