About Us

A company which is focused on maximizing the profits of customers is trusted by all in the market. This is what we, Radiant Plastic, believe in. All of our business activities are executed by expert team members in adherence to the ethical business policy of the company and quality norms of the furniture industry. Performing in such a manner, our enterprise aims to not just maximize the profits of clients but also strengthen our position in their hearts. This creates a highly positive image of our company, which allows us to attract a huge clientele towards our range of furniture items, in the competitive domain. In addition to showcasing a phenomenally customer oriented performance, we bring forth a seamless gamut of Baby Chairs, Foldable Chairs, Foldable Stools, etc. It has been a major reason behind our success in the market. The innovative range is designed by experts, in adherence to latest trends. As a responsible manufacturer and exporter, we promise to only bring forth the best quality items at the forefront of the marketplace.

Our company has been overseeing mass production of high quality Foldable Stools, Baby Chairs, etc., since 2009. To constantly manufacture our range in bulk, we have been relying on a spacious infrastructure, advanced machinery setup and skilled team of experts. All the mentioned factors have been crucial to the growth of our company, and help our enterprise in presenting an innovative assortment to clients, in bulk. The infrastructure and machinery setup owned by our enterprise is constantly upgraded as per the advancements in technology & industry. It allows us to efficiently produce bulk quantities of furniture. These machines also make the customization of the range easier, which does not cause any delay in the process.
