About Us

Incepted in the year 1992, we, Saz Boilers, have been working as a prominent manufacturer, exporter and supplier of Steam Boiler, Hot Water Boiler, Thermic Fluid Heater, Hot Air Generator, Heat Exchanger, Heating Unit, Heat Recovery Units, Industrial Burners, Water Softener, etc. We manufacture it with defect free and quality material which is procured from reliable vendors. The range finds its usages in diverse industry due to its excellent performance, high strength, reliability and dimensional accuracy. Our entire range of product is quality tested on various quality parameters before its dispatch to customer destination. The uncompromising attitude towards quality has rewarded us with ISO 9001:2008 certification.

We are profound manufacturer, exporter and supplier of Steam Boiler, Hot Water Boiler, Thermic Fluid Heater, Hot Air Generator, Heat Exchanger, Heating Unit, Heat Recovery Units, Industrial Burners and Water Softener. The range is fabricated as per industry standards and norms. We use high grade raw material, which we procure from reliable sources. The product is appreciated in the industry for its high strength, good performance, durability and dimensional stability. We pack it in quality approved packaging material such as wooden boxes that keep it completely safe from damage.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	oil and gas fired steam boilers,automatic jaggery plant,hot water boiler,hot air generators,organic jaggery powder,organic jaggery,jaggery plant,ThermalFluid Heater,steam boilers,
No of Staff	30
Year of Establishment	1992
No of Production Lines	1
OEM Service Provided	No
Memberships	MCCI
ProductRange	oil and gas fired steam boilers,automatic jaggery plant,hot water boiler,hot air generators,organic jaggery powder,organic jaggery,jaggery plant,ThermalFluid Heater,steam boilers,

Our Products

Boiler Coils

Gas Fired Smoke Tube Type Steam Boilers

Thermax Steam Boiler

Automatic Electric Steam Boilers

Solid Fuel Fired Steam Boilers

Mobile Steam Generator

Oil Fired Thermal Fluid Heater

Oil Gas Fired Smoke Tube Type Steam Boiler

Oil Fired Steam Boilers

Oil Fired Hot Air Generators

Electric Steam Boilers

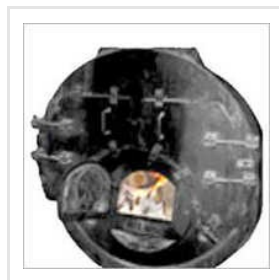

Gas Fired Steam Boilers

Horizontal Steam Boilers

Solid Hot Water Boilers

Shell Tube Type Boilers

Hot Water Boilers
