About Us

Growing slowly and steadily, we, Ajanta Industries, have become a market leader in the domain of machine making across the Indian sub-continent without any regional boundaries. Based on the Ajanta Business Approach: the only thing constant in this world is change, we constantly improve ourselves in all business aspects, thereby offering our clients only the best range of Aluminum Gravity Casting, Digital Meter Pulverizer, Stainless Steel Puvrizer and other machines.

The growth of our company is driven by innovation and adaptation. The merger of our company with Wonder Packs has created an entity that is the best in India and renowned to be a quality supplier of end-to-end milling solutions even at the global level. To connect with our clients, we have setup a widespread network. Backed by this network, we stand tall as not only as a manufacturer, but an exporter and wholesaler, as well.
