About Us

Founded In The Year 2009, We, Gulmohar Engineering Works, Are One Of The Leading Manufacturers And Suppliers Of A Wide Range Of Cranes And Electric Hoists. This Range Has EOT Crane Double Girder, Heavy Duty EOT Crane, Electric Wire Rope Hoist, Electric Goliath Cranes, Etc. We Use State-Of-The-Art Machinery And Premium Components In The Manufacturing Of These Products. Our Products Are Valued For Their Attributes Such As Extended Lifespan, User-Friendliness, Minimal Upkeep, And Resilience To Damage. These Products Are Quality-Checked To Ensure That They Fulfill All The Attributes Mentioned. For Our Esteemed Clients, We Are Also A Service Provider For Various Services, Including Crane Repairing Services. We Have Been Able To Achieve Lots Of Success Thanks To The Guidance Of Our Mentor, I.E., Mr. Sandeep Dalal. His Steadfast Dedication And Vision Have Helped Us Offer A Product Line That Is Highly Regarded For Its Quality And Best Services.

Established in 2009, we, Gulmohar Engineering Works, are a prominent manufacturer and supplier of an extensive assortment of cranes and electric hoists. Based in Pune, Maharashtra, India, we use top-notch components and cutting-edge machinery to manufacture our products, which include Electric Goliath Cranes, Heavy Duty EOT Cranes, EOT Double Grinder Cranes, Electric Wire Rope Hoists, etc. Our products are prized for features like long lifespans, ease of use, low maintenance requirements, and resistance to damage. These goods are put through quality control to make sure they meet all the requirements. We also offer a wide range of services, such as Crane Repairing Services, to our esteemed clients.
