About Us

Sharda Insulation And Refractories was founded in 2012 and has become one of the top three manufacturers of Calcium Silicate Insulation Blocks in India. Due to our state-of-the-art manufacturing facility that can supply up to 350 metric tons per month, and an annual capacity of 4200 metric tons, we are passionate about manufacturing excellence and innovations. With more than 12 years of experience in the insulation and refractory sector, we are proud suppliers to fifteen of India's major cement brands. With a dedicated team of 200 skilled professionals we're setting benchmarks in quality, reliability, and customer satisfaction. Our firm specialized in making Insulation Boards such as Calcium Silicate Insulation Boards, Thermal Insulation Blocks, Calcium Silicate Blocks, Thermal Insulation Materials, Refractory Insulation Material and more.

Sharda Insulation aims to be the leading supplier in the global refractory and insulation industry, providing innovative, high-quality products in a sustainable manner that will exceed customer expectations. Our core values are based on exceptional product quality, energy savings and cost-effective production. At Sharda Insulation we create quality through trusted partnerships, over 12 years of industry experience, and 200+ committed team. Our commitment to quality and innovation has already established us as a preferred supplier to India's major cement brands.
