About VIDA Bath Accessories

At (Vida Bath) we have over 25 years experience in manufacturing and distributing high quality building & plumbing supplies including specialist floor waste grates for retail and trade customers. So whether you are completing a small bathroom renovation, looking for shower grates, floor grates or bathroom drains or you are a professional specializing in the installation of shower grates or waste drains. Whether you are a homeowner, architect, contractor or industrial client We have a team of talented and experienced customer service personnel, dedicated to helping you find your drainage, plumbing, floor heating or cove neon flex lighting solution. Our helpful staff have many years experience working with designers and builders of some of Perth's most exclusive residential, commercial and civil developments. Our advanced infrastructural facility is the most major asset of our organization, which empowers us to fulfill the large-scale, urgent and customized orders of our clients within certain time schedules. We have separated this facility into varied specialized divisions so that the entire processes are carried out in an unhindered manner. Our manufacturing unit is equipped with the most-modern machinery and technology empowers us to manufacture an excellent quality product array at fast production rate.
