## About Us

We are a leading Manufacturers & Exporter of PP Strap, Stretch Film, Steel Strap Cutter, Pet Strapping Sealer, PET/ Polyester Strap & Cord Strap etc. Since 1985. We have gained a large share of the Indian Market because of our ability to supply quality material at most affordable prices and backed by timely deliveries. We use the best of raw material and maintain stringent quality control measures so that customers get material of highest quality. Our prime focus is to produce quality products. For our manufacturing process we have installed world class plant and have a team of highly qualified & experienced personnel to look after the production and quality control process. We have a well equipped factory and necessary infrastructure in place for smooth operation of business.

Our whole operations are performed under the leadership of our Directors, Mr. Shailesh Nemani & Mr. Vineet Nemani who are having in depth knowledge and experience about the industry. Because of their valued business acumen, progressive approach and excellent decision making abilities we have been able to gain a large market share for our product in the Domestic Market. and now we have Increased our production capacity and looking towards export market. & We have already started exporting to Middle East & African Countries.
