Natural Botanical Extract

Premium Quality Essential / Carrier Oil

Fennel Oil

Product Information

Product: Fennel Oil (derived from Foeniculum vulgare seeds)

Appearance: Clear to pale yellow / golden liquid

Source: Steam-distilled or cold-pressed from fennel seeds

Aroma: Sweet, warm, anise-like, characteristic of fennel

Common Uses

- Aromatherapy and diffuser blends
- Massage oils and body care formulations
- Flavouring agent in food and beverages (food-grade only)
- Traditional herbal preparations
- Cosmetic and personal care products

Storage Instructions

Store in a cool, dry place away from direct sunlight and heat. Keep the bottle tightly closed when not in use. Prefer amber or dark glass packaging to protect from light.

Safety & Precautions

For external use or as directed. Dilute properly before topical application. Not for internal use unless certified food-grade and used under professional guidance. Keep out of reach of children. Perform a patch test before first use.
