QUICK & EASY PREPARATION METHOD

1. **Mix Base:** Take 2 tablespoons (approx. 25g) of Himalaya Special Custard Powder in a bowl. Add 3–4 tablespoons of cold milk from 500ml milk and mix well into a smooth paste.
2. **Boil Milk:** Boil the remaining milk with 2–3 tablespoons of sugar (adjust sweetness to taste).
3. **Combine & Cook:** Lower heat and gently add the custard paste while continuously stirring to avoid lump formation. Cook for 2–3 minutes until thick and smooth.
4. **Serve:** Cool and serve chilled on its own or topped with fresh cut fruits, jellies, or nuts.
