Premium Liquid Oil

Clear Glass Bottle Packaging

Yellow Oil

Product Information

Product: Yellow Liquid Oil (Essential / Carrier / Flavour Oil)

Appearance: Clear, bright yellow liquid

Packaging: Round clear glass bottle with screw-neck finish

Views: Multi-angle product photography (front, top, side perspectives)

Typical Applications

- Aromatherapy and essential oil blends
- Massage and body care formulations
- Cosmetic and personal care products
- Food flavouring (when food-grade certified)
- Sample / retail packaging for oils and extracts

Storage Recommendations

Store in a cool, dry place away from direct sunlight and heat sources. Keep the bottle tightly closed when not in use. Clear glass should ideally be stored in a secondary box or dark place to protect light-sensitive contents.

Handling Notes

Handle with care. Glass bottles can break if dropped. Suitable for screw-cap or dropper closures (not included in this image). Always verify the specific oil type, grade, and certifications with the supplier before use.

This product information sheet is generated from packaging imagery for reference and catalogue purposes. Always refer to the actual product label and supplier specifications for accurate composition, certifications, and usage guidelines.
