About Us

Shreeji Projects, a company which has earned acclamation for serving the finest filling machines and plants, is working with complete dedication to serve the best to its clients across the globe. Working as a Manufacturer and Exporter, we believe that the products which our clients avail from us will function with complete perfection without any faults for a longer period of time. Portfolio of our offerings comprises Glass Bottling Machines, Mineral Water Plant, Reverse Osmosis Plant, PET Bottling Machines and Mineral Water Rinsing Filling Capping Machines to name a few. Each one of the foretold offering is designed and developed in a manner that will surely surpass the expectations of the customers on utilization.

Functioning under the guidance of Mr. Sameer C. Ramdatti (Mentor) we are able to always achieve success in each step we take. It is his strategies which enables us to utilize each one of our resources in order to attain fluent, effective and efficient functioning products and accomplish the goals.
