About Us

We, Kunststoff Pipes LLP, were established in 2012 and are a renowned manufacturer and supplier of PVDF Pipes Valves, PVDF Pipe And Fittings, PPR Female Threaded Adapter, HDPE Fabricated Fittings, PPR Pipes, HDPE Pipes And Fittings and many more. We also provide our clients HDPE Pipe Installation Services. At our state-of-the-art manufacturing facility, we employ top-notch equipment and state-of-the-art technology to produce the highest-quality items. Furthermore, we have a highly skilled and educated team of seasoned professionals who consistently work to provide cutting-edge features and solutions that satisfy end users' needs.

With the help of thorough testing and recurring inspections, we have been committed to upholding the quality requirements for our products. To fulfill international quality standards, our products are put through a number of tests depending on different characteristics with the help of sophisticated testing tools. Additionally, we have a large warehouse that can safely store large numbers of goods. We have been able to establish new standards for the competition thanks to the imaginative leadership of Mr. Digish Chavda, the company's designated partner. We have quickly created a reputable name in our market by upholding moral business practices and focusing only on meeting the needs of our clients.
