About Us

Our company, King International endured a number of obstacles on its way to advancement, but we were able to tackle them owing to our relentless efforts & determination. Since the year of 2011, we have specialized in providing our customers with a diverse range of products, including Kitchen Jar And Storage Box, Copper Chafing Dishes, Steel Tiffin Box, Steel Compartment Plate, Steel Hot Pot, Non Stick Products, and many others. We are an internationally acknowledged manufacturer, supplier and exporter of a broad spectrum of products that we sell at cost-effective rates to a vast customer base. Furthermore, we constantly stress on preserving a morally correct attitude when pursuing business with our respective clients, in addition to delivering high-quality items to them.

We, King International, have been a widely recognized name in the market for many years since our top quality products are made available for clients at reasonable charges. Because of our highly trained workforce, which is devoted to supplying the finest quality goods to our clients, the recognition of our company has considerably grown. Among the many amazing items we give to our clientele, we have Steel Lunch Box, Copper Dinner Set, Cutlery Holder, Bar Accessories, Microwavable Casserole, Steel Dustbin, and others. We have our facility based in the capital city, Delhi, India, from where we provide items to clients on a timely basis. Furthermore, we make certain that moral business principles are maintained when dealing with clients.
