About Us

Founded in 2024, Sparture International Private Limited has rapidly emerged as a trusted manufacturer, trader, supplier, and service provider of premium Essential Oils like Patchouli Oil, Lemon Grass Oil, Citronella Oil, Geranium Oil, Palmarosa Oil, etc. With a commitment to quality and innovation, we harness the purest botanicals to craft therapeutic-grade oils that cater to diverse industries, including aromatherapy, cosmetics, pharmaceuticals, and wellness. At Sparture, we blend tradition with technology, ensuring our extraction processes retain the natural potency, aroma, and therapeutic benefits of each oil. Whether you seek lavender for relaxation, tea tree for skincare, or peppermint for invigoration, our extensive range delivers unmatched purity and efficacy.

Sparture International Private Limited is a leading manufacturer, trader, supplier, and service provider of premium Essential Oils, headquartered in Powai, Mumbai. Established in 2024, we specialize in producing therapeutic-grade Palmarosa Oil, Davana Oil, Vetiver Oil, etc. for aromatherapy, cosmetics, pharmaceuticals, and wellness industries. With a strong commitment to quality, innovation, and sustainability, we source the finest botanicals to ensure pure, potent, and aromatic essential oils. Our state-of-the-art extraction techniques and rigorous quality control guarantee superior products that meet global standards. Whether for bulk supply, customized solutions, or private labeling, Sparture International is your trusted partner in delivering nature's essence, bottled to perfection.
