

## CNC BENDING MACHINE

MANUFACTURER AND SUPPLIER

400- 450 V Electric Iron Worker Machine, AMP-03 CNC Press Brake Machine, Automatic Sheet Pressing Machine, CNC Bending Machine, CNC Cutting Machine, CNC Plate Bending Machine, Cut To Length Machine, Electric Cross Shaft Power Press, Electric Motorized Pipe Bending Machine, Electric Shearing Machine, Guillotine Shearing Machine, Hydraulic Bending Machine, Hydraulic Cutting Machine, Hydraulic Press Maintenance Service, Mechanical Plate Rolling Machine, etc.

**MECHANICAL PLATE ROLLING MACHINE**

**SS PLATE ROLLING MACHINE**

**METAL STAMPING MACHINE**

## About Us

Meeting the needs of customers associated with Precision Shearing Machine, SS Plate Rolling Machine, Press Brake Machine, etc., we, Rudraksh Engineering, have emerged as a renowned name. We are one of the most preferred manufacturers and suppliers on which customers trust for quality. The range we offer is user-friendly, durable, fluent in performance, requires low maintenance which make it the talk of the town. Our professionals work very hard to meet company goals and manufacture an unbeatable range. Depending on the specific requirement of the customers, we modify our range so that we can serve them more effectively.

Rudraksh Engineering is operational since 2011 and is serving customers with Automatic Sheet Pressing Machine, Steel Almirah Making Machine, Metal Forming Machine and many more types of machines. We are located in the city of Rajkot, Gujarat (India) and it is this place we have constructed a big infrastructural wing. It is the innovative idea of our professionals which is helping us win the trust of customers. We are also famous because of our ethical business policies and client-oriented approach.

## Key Facts

<b>No of Staff</b>	7
<b>Year of Establishment</b>	2011
<b>OEM Service Provided</b>	No

## Our Products

**Mechanical Sheet Cutting Machine**

**Plate Cutting Machine**

**Shearing Cutting Machine**

**CNC Plate Bending Machine**

**Electric Motorized Pipe Bending Machine**

**CNC Bending Machine**

**NC Sheet Bending Machine**

**Hydraulic Bending Machine**

**Metal Bending Machine**

**Over Crank Shearing Machine**

**Guillotine Shearing Machine**

**Mechanical Shearing Machine**

**Electric Shearing Machine**

**Cut To Length Machine**

**Hydraulic Cutting Machine**

**Sheet Metal Cutting Machine**
