MS ELECTRICAL FAN BOX

About Us

Established in 2023, Ravindra Polychem has quickly emerged as a promising name in the electrical fittings industry. Based in Kalanwali, Haryana, we are an ISO 9001:2015 certified manufacturer and supplier of high-quality products such as Electric Fan Box, Powder Coated Fan Box, Steel Fan Box, Modular Electrical Box, Ceiling Fan Rod, and Circle Cable Clip. Though relatively new, our company is backed by modern infrastructure, skilled professionals, and a strong commitment to quality and customer satisfaction. We aim to deliver products that combine strength, safety, and durability, ensuring long-term reliability for residential, commercial, and industrial applications. At Ravindra Polychem, innovation and quality go hand in hand to provide value-driven solutions to our clients.

Ravindra Polychem was founded with the vision of bridging the demand for superior electrical fittings with advanced, quality-controlled products. In a short span of time, we have established a solid foothold in the market as a dependable manufacturer and supplier of Electric Fan Box, Modular Electrical Box, Steel Fan Box, Ceiling Fan Rod, Powder Coated Fan Box, and Circle Cable Clip. Our focus is on delivering durable, safe, and cost-effective products that meet both Indian and international quality standards. With a strong emphasis on timely delivery, ethical business practices, and a customer-first approach, we are steadily building long-term relationships with clients across the country.
