

**Delta Industrial Automation Products :**  
CNC CONTROLLER, SERVO DRIVE & MOTORS,  
VFD, PLC, HMI, SENSORS, etc.

ABB AC Servo Drives, ABB Electric Motors Services, AC Drive, Absolute Encoder, Automation Equipments Services, Automation Scales, Automotive Industry Servo Motors, Automotive Servo Motors, Bosch AC Servo Drives, Bosch AC Servo Motor Repair, CNC Machine Control, CNC Machine Solutions Services, DC Motor, Delta AC Servo Drives, Delta Active Power Filter, etc.

**AUTOMOTIVE SERVO MOTORS**

**SERVO MOTORS**

**PANASONIC AC SERVO MOTOR**

## About Us

We are "Sun Automation", set up in the year 2008, are one of the well-figured Exporters, Traders and Service Providers of Servo Drive, Motors Repair and Sales. Our group of experienced faculty guarantees high quality services to our clients. Our association is upheld by our rich vendor base that helps us in the obtainment of this range of items at standard as par with universal measures. The ability of our experts makes them skillful for the determination of the products on the premise of vendors and check things on various parameters including production method and cost, quality estimations, customers' reaction and numerous more attributes. Backing of our affirmed sellers empowers us to supply large prerequisites of our esteemed customers and serving them with high quality products of various reputed brands such as Industrial Encoder for Machine Tools, Variable Frequency Drives, Servo Motors, Servo DC Drives, Servo Motor Drives, Human Machine Drives etc. These vendors keeping so as to assemble finished item go personality a main priority set industry measures and give these items in fluctuated details to meet the particular necessities of our customers. Our appropriation system encourages us to convey these items to our customers in auspicious way. We have enrolled a group of dexterous experts, who have huge area skill and information of the items. These experts are enlisted on the premise of their insight and abilities in their individual spaces. We have acquirement's operators, quality controllers, warehousing and packaging faculty and conveyance specialists in our group. Our workforce is very much aware of the business prerequisites and offer precise arrangements within stipulated time allotment.

Our refined quality testing unit is the place where all obtained items are subjected to thorough quality check by our group of profoundly experienced quality controllers. Our item range is acquired just from the certified merchants of the business. We are offered with a huge and open very much created warehousing unit where our mass committals are kept in sheltered and sound way. This warehousing unit is furnished with the imperative machines and hardware that are required to hold the items under the sheltered environment. For the protected conveyance of our products, we make utilization of tough and water-proof packaging materials.

## Key Facts

<b>Nature of Business</b>	Distributor
<b>Primary Competitive Advantages</b>	delta servo drive,delta servo motor,delta hmi,delta plc,delta ac drive
<b>No of Staff</b>	20
<b>Year of Establishment</b>	2010
<b>No of Production Lines</b>	1
<b>OEM Service Provided</b>	No
<b>ProductRange</b>	delta servo drive,delta servo motor,delta hmi,delta plc,delta ac drive

## Our Products

**Servo Drives**

**Siemens Servo AC Drives**

**Siemens AC Servo Drives**

**Siemens Servo Drives**

**FX 2000 Flexi Series AC Drives**

**SX 2000 Smart Series AC Drives**

**LX 2000 Lift Series AC Drive**

**Fanuc Servo Motors**

**Automotive Industry Servo Motors**

**Siemens AC Servo Drives**

**Bosch AC Servo Drives**

**Servo Motors Encoders**

**Servo Motors**

**Mitsubishi Servo Motors**

**Fanuc Servo Motors**

**Servo Spindle Motors**
