About Us

We, Bengaluru Paper Cups, are an environment conscious company working as the professional manufacturer, distributor and supplier for Paper Cups and Blanks. With the goal to revolutionize the paper products industry, we focus on introducing innovative and highly recyclable products. Our entire array is made using finest quality ITC Papers, which itself is a testimony of quality. Use of such qualitative raw input make our Paper Cups and Blanks suitable for further recycling; contributing towards environment protection. We strive to meet all the clients' demands as per the expectations. For our honorable clients, we offer our whole paper product's range in myriad sizes and designs. Further, to give clients complete ease while dealing with us, we accept payments via some simple modes.

To cope with market requests for paper products like cups, blanks and others, we Bengaluru Paper Cups, are supported by a robust infrastructure set up. It is established over a huge area and merges several specific departments such as quality assessment, administrator, production and packaging for promoting a harmonized working environment among our employees. Working from Bengaluru in Karnataka (India), we have a manufacturing wing which outputs the paper cups in excellent speed; making us capable of serving bulk demands of canteens, cafeterias, homes and parties for paper products. Once the products get developed, we make them pack in different quantity at our packing division.
