## COMPANY PROFILE

WE TRANSASIA PETROCHEM PVT LTD , One of the MANUFACTURER & EXPORTER OF AUTOMOTIVE LUBRICANTS & COOLANTS UNDER BRAND NAME ACES & OCEANIC located in India. The most trusted AUTOMOTIVE LUBRICANTS manufacturing company incorporated in 2012 having more than 300 products for various Automotive Lubricants applications. Our products are specially formulated to meet national & international specifications meeting all performance levels. We assure guaranteed quality for our formulated Additives. Our product range is available to the customers at competitive prices with best performances requirements to suit end applications.

Our products can be manufactured as per customer specifications, and we are ready to make modifications to our chemistries and manufacturing processes dependent upon quantities ordered.

### Total Quality Management

We are committed to continuously improving our products and processes by having an integrated approach which encompasses the needs and expectations of the customer, our people and processes.

### R&D

In order to stay ahead of the competition we know it is important to invest in the future by continuously developing new products and technologies, that is why we have R&D laboratories at each of our manufacturing units. If you need confidential assistance in the use of our additives for the development of improved fuels and lubricants, we are ready to work with you.

### Supply Chain Management

We at M/s. TRANSASIA PETROCHEM PVT. LTD. understand that in today's fast paced and highly competitive environment, supply chain logistics plays a big part in keeping cost down and delivering the product into the market at the right time, right place and at the right price.

Having extensive experience in this area we can provide our customers with cost- efficient

## ABOUT US

MR. ATUL B. SHAH (DIRECTOR) bears the position of Technical Head in our company and engaged in technical developments & quality up gradation of Additives, Lubricants, Greases & Speciality Products.

MR. ATUL B. SHAH, post graduate in science from Mumbai University with specialization in organic chemistry having over 30 years experience in the field of petroleum Lubricants, Additives & Speciality chemicals & worked IN REPUTED MULTINATIONAL COMPANY M/S LUBRIZOL INDIA LTD, APAR INDUSTRIES LTD & M/S HINDUSTAN PETROLEUM CORPORATION LTD AS R & D MANAGERIAL CAPACITY.

MR. HARSHAL A. SHAH bears the position of Director in our company & engaged in complete management marketing of lubricants, additives, greases & speciality products.

MR. HARSHAL A. SHAH, CHEMICAL ENGINEER from Mumbai University with this sharp business acumen deep domain knowledge & experience in the field have taken the organization to an unparalleled peak of success.
