

THE MOST TRUSTED ADDITIVES TRANSASIA PETROCHEM PVT LTD

PRODUCT LIST

**MANUFACTURER AND EXPORTER
OF ADDITIVES FOR LUBE OIL, GREASES & FUELS**

**“AN ISO 9001:2015 CERTIFIED COMPANY”
*MADE IN INDIA***

COMPANY PROFILE

- **WE TRANSASIA PETROCHEM P.LTD, One of the Leading Manufacturer and Exporter of Additives for Lube oil ,Greases & Fuels located in India.**
- **The most trusted Additives manufacturing company incorporated in 2012 having more than 100 products for various Automotive & Industrial Lube applications.**
- **Our products are specially formulated to meet national & international specifications meeting all performance levels.**
- **We assure guaranteed quality for our formulated Additives.**
- **Our product range is available to the customers at competitive prices with best performances requirements to suit end applications.**
- **Our products can be manufactured as per customer specifications, and we are ready to make modifications to our chemistries and manufacturing processes dependent upon quantities ordered.**

Total Quality Management

- **We are committed to continuously improving our products and processes by having an integrated approach which encompasses the needs and expectations of the customer, our people and processes.**

R&D

- **In order to stay ahead of the competition we know it is important to invest in the future by continuously developing new products and technologies, that is why we have R&D laboratories at each of our manufacturing units.**
- **If you need confidential assistance in the use of our additives for the development of improved fuels and lubricants, we are ready to work with you.**

Supply Chain Management

- **We at M/s. TRANSASIA PETROCHEM P.LTD understand that in today's fast paced and highly competitive environment, supply chain logistics plays a big part in keeping cost down and delivering the product into the market at the right time, right place and at the right price.**
- **Having extensive experience in this area we can provide our customers with cost-efficient supply chain solutions.**
