About Us

At our company, Akshar Traders, one can find precision engineered, rust resistant Anchor Fasteners, Fan Hooks, Industrial Bolts, Industrial Screws and Wall Plugs at market leading prices. We stand out as a well-renowned nationwide authority in the realm of well-engineered metal products. Though only a product trader and supplier with no in-house manufacturing facility, we ensure we adopt benchmark quality standards to fulfil expectations of the buyers of our products. Industrial brands we associate with are carefully chosen among thousands of Indian and foreign companies. Only firms that exemplify the gold standard in conceptualizing, engineering, and crafting precision products are approached for long term business relationships. By joining hands with industry leading businesses and delivering impeccable products for use across a wide spectrum of applications, we have become a famed name in the nation with a client base spread across many major Indian states.

We, Akshar Traders, have a range of products, including various hardware and fastening systems that are of renowned brands. One can rely on our products like Carriage Bolts, Pin Type Anchor Bolts, Red Sleeve Frame Fixing Screws, Multipurpose Single Thread Screws and Wall Plugs for robustness and their ability to withstand enormous stresses under any given work condition. With different types of products available at our one stop shop, we assure buyers the best value and service. Get in touch with our Ahmedabad, Gujarat, India based company if you need a supplier and trader of high grade industrial products that assures you swift turnaround times.
