About Us

Here at Rahul Transformers Pvt. Ltd., we work as a customer oriented manufacturer. We surprise our clients daily with a remarkable collection of Power Transformers, DPC Aluminum Wires, Transformer Oil, etc. Under the brand name, Rahul, this collection is made available to clients in bulk. The range is renowned across India for its exceptional efficiency, durability as well as glitch free performance. Since the incorporation of our enterprise, we have been supporting our clients from private industrial sector as well as Jodhpur Vidyut Vitran Nigam Ltd., Rajasthan State Electricity Board, Jaipur Vidyut Vitran Nigam Ltd., Ajmer Vidyut Vitran Nigam Ltd., etc. Our clients consider us a reliable name of the market, who is capable of meeting their bulk requirements on time. We never disappoint our clients, our company always works our best to satisfy our clients. To provide maximum gratification to clients, we customize our range as per the exact instructions given by clients. Our enterprise also puts in great efforts to commission quality panels, motors and other electrical equipment for varied clients.

Our company, Rahul Transformers Pvt. Ltd., is registered with District Industries Centre (Bikaner {Rajasthan, India}) as an MSME. Since 1995, we have been working in an ethical manner, prioritizing the profits of our customers at all times. The business concern never compromises on the quality of our offered Power Transformers, Transformer Oil, DPC Aluminum Wires, etc. Everyday, we bring forth bulk quantities of each and every variety of products that we promise to offer. Along with this strictly quality tested range, we assure that clients are rendered with highly reliable Cable Testing Services, Power Transformer Repairing Services, etc. Our company is determined to attain maximum customer satisfaction by performing & offering our best.
