SHREE R R AGRO INDUSTRIES

R R Agro Industries, Is The Most Convenient Place To Buy Products Aiding Optimal Health, Production, Yield And Fertility.

Mr. Abhinandan (Proprietor)

Whether one needs quality nutrition for animals, plants or humans, our firm **R Agro Industries**, is the most convenient place to buy products aiding optimal health, production, yield and fertility. We sell **Binola Khal** that is an essential cattle supplement known to improve the overall muscle health, lactation capacity and immunity of farm animals. We are also a leading **manufacturer** and **supplier** of the best quality **Sarson Khal** for use as fertilizers. Among other products, we have **Mustard Oil** that is marketed under the brand name Suraj and the most nutritionally enriched variety of **Fortified Rice and Indian Rice**.

Quality Guarantee

We at R R Agro Industries know that we are a part of a competitive industry where food producers and suppliers work fiercely to battle competition of any kind. Therefore, we follow elaborate quality control methods, ensuring everything we sell is assured on quality parameters of freshness, wholesomeness and purity. We listen to our customers and formulate quality control strategies that can help us bring improvements in the quality of our cattle feed products, agro products, food products, and others.

Our Facilities

At our setup integrating production, quality control and packaging units, we come up with productive, creative and collaborative ways to create, test and pack our range. A team of certified professionals is appointed at various units for tackling all tasks with professionalism and in a punctual manner within deadlines. Our facilities being critical to our work operations as a manufacturer, we continue investing on its timely maintenance and upgrade.

Our Mission

Our passionate team of 100 professionals led by Mr. Abhinandan works really hard to realize our mission of emerging as a market leading name of different types of nutritious functional foods and essential products suitable for various uses.
