About Us

Eagle Eye Traffic Safety Products is a name that is well-known and immensely trusted by a large customer base in the market. Our company is engaged as a manufacturer, trader, and supplier of a wide range of safety products. We deal in only high-quality products that are worthy of every penny spent on them by the customers. Our product line encompasses Industrial Safety Jackets, Traffic Safety Cones, Rubber Speed Breakers, Reflective Tapes, and more. Each of our products is either manufactured at our world-class manufacturing unit by our team of certified professionals or sourced from the top and most renowned vendors in the market.

Either way, the quality of our offered products is never questionable. All the products are highly durable and a perfect choice for customers who look for quality and affordability under one roof. We understand not everyone can afford high-priced products, which is why we set the prices of our products as per market-leading rates. No additional charges are levied.
