ABOUT US

We are a company with a team of young aggressive minds and passion for creating products that would enhance the mobility experience of the consumers. Having seen this industry evolving since its early years, we carry a vast industry experience of over 20 years.

We understand how the market shifted from the keypad days to the touchscreen days and how important data consumption has become today in every walk of life. And to complement these changing needs of the consumers we have developed a wide range of products keeping abreast with the technological advancements. Our Mobile Accessories Category includes: Batteries, Power bank, Travel Chargers, Car Chargers, DC Chargers, Data Cables, Aux Cables, OTG Dongles, Card Readers, USB Hubs, etc.

Our Lifestyle Accessories Category Includes: Earphones, Wireless Neckbands, Wireless Earbuds, Wireless Headphones, Wireless Speakers, Wireless Party Speakers, Smart Watches, etc. Our Passionate details result in Designing and developing long-lasting and with good functionality.

Our Passion for details results in Designing and development of the products that are long-lasting and with good functionality. We strive to create a complete and fulfilling experience. To serve our customers with the desired quality and to meet the requirements of these exponentially growing markets, we have invested in state-of-the-art facilities in Himachal Pradesh, Delhi NCR and Maharashtra. This is backed by a strong and dynamic network of over 1000 distributors catering to about 100k retail points across India serviced by our passionate Sales Team.

We have become one of the fastest-growing and happy brands in India in the Mobile & Lifestyle Accessories Category.
