About Us

Rasayan Ghar, is a well-known manufacturer and supplier of EPDM Rubber, NBR Powder, Steel Wool Fiber, Steel Wool Roll, and many more cost-efficient products. Qualified experts are hired in our enterprise to conduct business operations in a flawless and systematic manner. High-quality raw materials are used by us, to make our products, which we procure from top-notch vendors of the market. We offer our offerings in different packaging options from which the clients choose the one as per their needs. To manufacture our offered range we follow all the industrial norms which help us to stand out in the market. Our company has been able to attain the targets because of the support of in-house professionals, vendors, and logistics partners. We have been successful in setting an example in the industry by consistently offering high-grade products that are worth the clients money. The knowledge and skills of our owner of Mr. P. K. Garg, has enabled the company to reach the peaks of success. Under the guidance of our mentor, not only the company but employees are growing at a faster pace.

Located in the capital of Delhi, India, our company, Rasayan Ghar, is a manufacturer, supplier, importer, and wholesaler of Steel Wool, Graphite Flake, Graphite Powder, NBR Rubber Chemical Powder, etc. Our company has been functional since 1972 and have been successful in attaining a huge customer base. We have enrolled our name in the list of leading enterprises which are 100% client-focused. Besides having an ultra-modern production house, our company owns a big warehouse where the manufacturer range is stored with care. It is the teamwork of our employees and the support of associates that we have been able to attain a good market image. We give our the best to make the customers happy and offer the right value of their money.
