

SIEMENS INVERTER

ABB 315KW Motor Series, ABB ACS1000 315 kW Series Medium Drive, ABB ACS2000 3.68 MW Series Medium Drive, ABB ACS5000 13.8 kV Series Medium Drive, ABB ACS55 Inverter Series, ABB ACS550 Inverter Series, ABB ACS580MV 6.3 MW Series Medium Drive, ABB ACS6000 36.0 MW Series Medium Drive, ABB ACS800 Inverter Series, ABB HXR Three Phase Motor, ABB M2BAX Motor Series, ABB M3BP Process Motor IE3 IE4, ABB NXR Cast Iron Motor, Siemens Sinamics V90 Servo Drive, Siemen G130-G150 Inverter, etc.

SIEMENS S150 INVERTER

**ABB ACS5000 13.8 KV SERIES
MEDIUM DRIVE**

**WEG W21 FAN AND EXHAUST
MOTOR**

About Us

In this world of cut-throat competition, every businesses is looking for ways to increase their profits. But, we, Hong Kong Jawee Technology Co., Limited, work with the motive of enhancing profits by offering our customers the best-in-class machines including Siemens Servo Motors, Siemens Controllers, Siemens DC Converters, Siemens Beide Motors, etc. We are engaged in the market as a notable exporter, importer, supplier, and distributor. As a result, we understand our business role and work hard to maintain our legacy while adhering to international standards.

By providing our customers with products of matchless quality, we ensure that they receive complete value for their invested money. And, for the same reason, our proficient professionals at the company source our offerings from reputed brands in the industry. Moreover, by importing a large percentage of our offerings from different parts of the world, we bring forth a range that combines the state-of-the-art technology of different countries.

Based in Minhang (Shanghai, China), Hong Kong Jawee Technology Co., Limited is one of the trustworthy business entities that deals in a wide range of Siemens Beide Motors, Siemens DC Converters, Siemens Controllers, Siemens Servo Motors, and more. Being a customer-centric entity, we relentlessly work to ensure that everything we provide to our esteemed customers, be it the customer experience or the product range, meets and exceeds their expectations. The products we offer carry an unmatched quality standard, and the customer experience at our organisation is guaranteed satisfactory. Working hard since 2006, we have come a long way and today stand as the most reliable exporter, importer, and distributor for sourcing engineering solutions at fair prices. Moreover, our products are in great demand all over the globe. Hence, we supply them across the country using our wide distribution network.

Key Facts

Nature of Business	Dealer
Primary Competitive Advantages	Operation Panel,Touch Screen,Human Machine Interface,CNC spindle,CNC amplifier,CNC motor,CNC driver,ac servo motor,AC servo dirve,ac servo drives
No of Staff	15
Year of Establishment	2006
OEM Service Provided	No
ProductRange	Operation Panel,Touch Screen,Human Machine Interface,CNC spindle,CNC amplifier,CNC motor,CNC driver,ac servo motor,AC servo dirve,ac servo drives

Our Products

Siemens 72 X 90 X 55 Mm Controller

Siemens G130-G150 Inverter

Siemens 1FT7 Servo Motor

ABB ACS800 Inverter Series

Siemens DC Converter

Siemens 1TL0003 Beid Motor

ABB ACS580MV 6.3 MW Series Medium Drive

WEG W40 General Purpose Motors

WEG W21Xdb Flameproof Ex Db

WEG W21 Smoke Extraction

ABB ACS6000 36.0 MW Series Medium Drive

ABB NXR Cast Iron Motor

ABB HXR Three Phase Motor

Siemens 1LE0 Motor Series

Siemens S210 Servo Drive

Siemens Sinamics V90 Servo Drive

ADDRESS

Room 505 No. 6433 Ying Gang Road (East), Qingpu, Minhang, Shanghai, China (201100).
