About Us

Flow Line Valve, is a company which is a specialist in developing and producing a large range of Lined Valves. The company is widely trusted as a manufacturer and exporter, which is capable to fulfill large demands along with serving finest quality products in Chemical, Pharmaceuticals, Water Treatment Facilities, etc. Products made out of PTFE, HDPE and similar materials are preferred over any other material because of their properties such as corrosion resistant, cost effective, high durability, and a lot more. The ambit of products we offer contains Lined Ball Valves, Lined Gate Valves, PTFE Pipe Spacer, FEP Lined Flush Bottom Valve, PTFE Lined Swing Check Valve and a lot more. Each one of our offering is presented to the customers in different sizes and other specifications as per their requirements.

The company follows a simple philosophy, which is to implement the most advanced technology and adopt creative ideas to make unparalleled range of products. Each one of our offering is designed with perfection and assured for quality. We promise to satisfy each customer we serve, by offering them best quality, affordable price, punctual delivery and several other benefits.

Key Facts

Year of Establishment	2013
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	As per Order

Our Products

PFA Lined Valve

PFA Lined Ball Check Valve

PFA Lined Plug Valve

PFA Lined Diaphragm Valve

PFA Lined Butterfly Valve

PFA Lined Ball Valve

PFA Lined Flush Bottom Valve

PFA Lined Globe Valve

PTFE Lined Flush Bottom Valve

PTFE Lined Swing Check Valve

PTFE Lined Ball Check Valve

PTFE Lined Ball Valve

PTFE Lined Valve

PTFE Lined Plug Valve

PFA Lined Sampling Valve

PTFE Lined Butterfly Valve
