

1000 kn Computer Controlled Electro Servo Hydraulic Universal Testing Machine, 200KG Capacity Universal Tensile Testing Machine, 2kn Electronic Tensile Strength Testing Machine, 3 Sofa Durability Tester(EN 4875), 30T Electronic Universal Test and Measuring Machine, etc.

POLYURETHANE FOAM POUNDING FATIGUE TESTING MACHINE

AUTOMATIC COIL SPRING COMPRESSION TESTER

AUTOMATIC COMPUTERIZED IFD FOAM COMPRESSION HARDNESS TESTING MACHINE

About Us

Haida International Equipment Co. Ltd. was established in the year 2007 as one of the leading manufacturers, exporters and suppliers of a wide array of Testing Equipment. These products are widely used in packaging, ink printing, leather products, environment, toys, baby products, paper products, rubber products, footwear, hardware, adhesive tapes, bags, electronic products, plastic products and other industries and are applicable in all quality inspection institutions, academic fields and scientific research units. Our product range incorporates Tensile Testing Machines, Environmental Test Chambers, Universal Testing Machines, Universal Testing Equipments, Tensile Test Machine Price, Tensile Strength Test Machines, Temperature Humidity Test Chambers, Climatic Chambers and many more.

Committed towards providing a range of Universal Testing Equipments, Environmental Test Chambers and other products having an unparalleled quality factor, we see to it that each of our products perfectly matches the industrial norms and standards. A reliable company by nature, we assure our customers of receiving a first-class array of testing equipments from us. Using a set of A-grade material for our production process, ensures a longer operational life of products and their higher accuracy in test results. Apart from supplying and exporting these products to all parts of the world, we are also known as a service provider, involved in offering related solutions such as Maintenance Services of Chambers and Test Machines to our customers, so as to provide them complete satisfaction. The products we offer like Furniture Testing Equipment, Optical Testing Equipment and others are made of top grade components and used by various industries. Our company has a huge customer base and an export market that is spread across the world. Our 24 hour helpline assists us in providing optimum response facility backed by a maintenance staff that is readily available for our customers to provide them with effective services and a friendly environment.

Our technologically sound office is managed by an experienced research staff who ensures the complete production of our range is done towards securing complete satisfaction of our customers. We have a cutting-edge research center that is equipped with essential device which is useful in bringing significant improvements to our products.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	aluminium bracket,automobile plastic parts,cnc auto parts,cnc insert,cnc precision parts,automatic lathe,sheet metal nut,brass sheet metal components,metal stamping parts,stampng
No of Staff	150
Year of Establishment	2003
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	50sets
ProductRange	aluminium bracket,automobile plastic parts,cnc auto parts,cnc insert,cnc precision parts,automatic lathe,sheet metal nut,brass sheet metal components,metal stamping parts,stampng

Our Products

High Servo Measure System Mattress

PLC Color Touch Screen Mattress Load Bearing

ASTM F1566-2009 Mattress Rollator

Sofa Long-Term Repeatability Loading

LCD Display Durability Testing Machine For

ASTM Mattress Integrated TEST

Chair Swivel Tester

Servo Motor Foam Drop Ball Impact Tester

Memory Foam Fatigue Tester

Chair Caster Durability Testing Machine

Chair Seat Drop Test Machine

Matterss Rollator Durability Tester

Sponge Pressure Filling Testing Machine

Chair Seating Cyclic Impact Test Equipment

Chair Seat Rotating Testing Machine

Chair Armrest Parallel Pull Testing Machine

ADDRESS

FACTORY ADD: No.13 Daxin
Street, Daluocha Industrial Zone,
Daojiao Town, Dongguan,
Guangdong, China (523710).
