About Us

We are Victory Brass Products, a renowned company dealing in various Brass Products and Steel Cut Wire Shot since 1990. The day we planted business roots, we resolved to deliver top quality offerings at highly competitive prices to our customers. We are still honouring this pledge by offering precision-designed Brass Hex Moulding Inserts, Brass Grub Screw, Brass Inserts, Brass Safety Key, Brass Round Base Mirror Cap, etc., in multiple sizes and dimensions as per industry determined norms. Having a longstanding record as a manufacturer and trader, we are also managing a national distribution network for catering to both large and small quantities of orders in an unrivalled manner. We are also engineering a host of custom fabricated steel and brass products through professional job work services.

We are delivering an optimal mix of assured product quality, product performance reliability and product price as guided by our mentor, Mr. P S Parekh. He guides our experienced team and motivates each member to work and surpass the quality, pricing and delivery expectations of each client.
