## About Us

In the year 2005, we - Laxmi Engineering Works started the business as a proprietorship firm. Today, we are one of the eminent manufacturers, suppliers, traders, and wholesalers of seals, couplings and other industrial supplies. Our product portfolio comprises GR Spider Coupling, PU Hydraulic Seal, Compact Piston Seal, Pneumatic Seal, DHS Wiper Seal, CLW Silicon Rubber Cord, and others. These are manufactured at our premises located at Delhi, India. From here, all the business activities are carried out in a systematic and precise way. From production to quality checking and storage as well as transportation all the activities are managed from our here.

We consider our clients as the main factors behind our expansion and growth. Hence, we ensure to satisfy their requirements and answer all their queries in a quick, transparent and polite way. We not only offer complete assurance of the quality of products, but we also promise the best price quotation in the industry, for wholesale orders. We also ensure timely delivery of orders via road transport, which is another factor that contributes to utmost customer gratification.
