COMPANY PROFILE

We take pleasure in introducing ourselves as a Packaging Solution Provider to various industries for the last 40 successful years. We are a leading professionally managed company involved in the manufacturing of all types of Metal Caps/Closures—**ROPP Caps /Twist off Lug Caps, Crown Cork, RO Caps/CT Caps, Cap-seals/Drum Seals** AND **printing of Aluminium Sheets, Metal Closures, Metal Dealer boards, MS Drums & Tin Containers.**

We supply our closures to most of the highly reputed companies in India & across the globe in the food processing, Pharmaceutical, Beverage, Fragrance and oil & chemical sector.

We are a team of technocrats having a vast experience in the bottle closure industry and had been a part of the illustrious and well-known packaging company of the world **M/s. Metal Box** in the 1970's & 80's. This has ensured that we always stay ahead in the industry with regard to continuous quality up-gradation & new developments.

We have in place a fully automatic and hassle-free production system for all kinds of metal caps. This has always helped us, offer our clients a high quality product at highly competitive prices & are today one of the most reputed suppliers of Bottle Closures in India.

We have an in-house Tin Printing/coating facility with a fully automatic "Yodogawa" TIN printing machine. This m/c is renowned worldwide for its high consistency in printing & sharpness in lithography. This has given a further boost to our product quality.

We also have a Profile of our company prepared by CRISIL, a globally renowned analytical company providing ratings, research and policy advisory services & have been accorded TRUSTSEAL by them.

We would be glad to provide our valuable services to you, which we are confident, would be to our mutual benefit.

For a better understanding of our organization, you may also visit our website www.lugcaps.in

Thanking you in anticipation of your valuable response.

Regards

Vinod kr upadhyay
(Manager-Customer Care)

THE RANGE OF PRODUCTS THAT WE MANUFACTURE:

- **Half Twist Lug Caps/Vacuum seals** : Available in sizes **30mm Lug Caps, 38mm Lug caps, 43mm, 53mm, 58mm,63mm, 66mm, 82mm & 102mm**. Usage in food processing/ Beverage/Dairy Sector for Jams, Cheese spread, honey & other allied products. **(Production capacity>5 Million PM)**

Besides, we can also undertake to manufacture any kind of metal bottle closures/caps as per customer requirement.

a host of advantages that We offer our clients

- We procure our basic raw material of Tin Sheets & Printed material from the best possible sources in the International market. This ensures consistent quality of caps backed with a longer shelf life due to specialized metal printing.
- The highly advanced 'CRABTREE TYPE YODOGAWA' Tin printing machine does not only provide high quality printing, but also provides consistent results ensuring that the first cap and the last cap are almost identical in printing.
- Our highly specialized technical team can help you resolve any of your capping issues online – whether with Cap, Bottles or Machine
- We can undertake to develop any size of cap as per customer requirement.
