# About Us

**Manglam Medikits Pvt. Ltd.** has been a major provider of Hospital Consumables & Industrial Gloves. For more than 2 decades, we have been providing quality products & solutions to hospital physicians, healthcare practitioners, doctors in private practices, home care dealers, and others. Our main objective is to help healthcare professionals to improve efficiency as well as profitability.

As an important enterprise in the global hospital supplies market, we work with dedicated people, honest values and entrepreneurial spirit. We deliver exceptional quality products, such as Latex Surgical Gloves constructed for maximum durability, safety, flexibility & comfort. All of our products are designed to assure excellent patient care, and we come up with safe, reliable & affordable choice.

Our company was established in 1987 with the Guidance of **Mr. Shiv Kumar Mangla** and with dedicated market team & distribution business in Faridabad. We have entered in disposable medical products business as a **promoter, exporter & bulk supplier** in year 2000. The Company is having a big list of hospitals (end user of disposables products). Also, it is having large distribution network in all over India and committed to quality & timely delivery of the products. Some of our products include **Surgical Gloves, Surgical Mask, Latex Examination Gloves, Surgical Cap, Nitrile Disposable Gloves and Industrial Safety Gloves.**

## Why Manglam Medikits ?

In line with our business principles grounded in fairness and ethics, Manglam Medikits Pvt. Ltd. is highly committed to offering a wide range of superior-quality medical consumables like Nitrile Gloves, Disposable Nitrile Gloves which are prepared from fine-quality latex gloves, vinyl and nitrile materials, therefore satisfactorily meeting the performance expectation. The company is responsible for promoting the integrity and ethical guidelines in the work and the field of professional activities. To this end, we have adopted the basic principles which should be acknowledged by our employees in order to follow the standards. For developing the long-term, profitable and cooperative relation with clients, we pay great importance to supplies of the products. Our chief focus is on the strategic and professional objectives including strong commitment and involvement, fair and honest communication and timely delivery.
