Planters & Pottery

Planters enhance the look of home & garden space, add height and dimension and create more garden space. Our new methods of production has vastly improved the quality and variety of styles available in fiberglass, & resin. Very detailed molds used in producing these lightweight planters create patterns, textures and reliefs that have only been available on more expensive planters. Our planters come in a variety of finishes - cast stone, wood, steel, ceramic, bamboo, cane and suit all sorts of interiors as well as exteriors - modern, ethnic, contemporary.
