Think Amazing...

Wall Cladding Texture Panel

Stone walls has a richness of texture and color that adds a sense of timeless elegance to any indoor or outdoor living space. Guaranteeing durability & Versatility, artificial stone products can be used to create an integrated look of enduring style. If you seek the appealing, three-dimentional look of stacked stone, look no further than our Rock Panels, an artificial stone cladding system which is ideal for feature walls, pool surrounds, courtyards and entertainment areas. Equally well suited for indoor use, these stacked stone panels are also perfect for the creation of water features, especially when illuminated to highlight the color variations. We are the sole creator & manufacturers of extraordinarily realistic faux stone, simulated brick or wood panels used for innovative construction & home use.

Prices ex-works our factory in Pune. Vat 12.5 % extra, Transport / LBT on Customers. All dimensions are close approximate.

Colours can be customized.
