

Field	Value
Usage	Industrial
Size	10 mm Diameter
Material	FRP
Application	Fastening & Electrical Insulation
Height	Standard
Technique	Molded
Product Type	FRP Nuts
Surface Treatment	Color Coated
Weight	Lightweight
Color	White
Dimension (LWH)	Customizable
Width	Standard
Length	Standard
Coating Type	Color Coated
GSM	Standard
Density	High Density
Shape	Round
Thermal Conductivity	Low
Glass Type	Fiberglass Reinforced Plastic
Usage & Applications	Industrial & Electrical Applications
Temperature	Heat Resistant
Thickness	Standard
