

Field	Value
Usage	DC Motors
Size	5 Inch
Material	Mild Steel
Application	Motor Assembly
Height	Standard
Technique	Precision Machined
Product Type	Industrial Mild Steel Spindle
Surface Treatment	Polished
Weight	Heavy Duty
Color	Silver
Dimension (LWH)	Standard
Width	Standard
Length	5 Inch
Coating Type	Anti Rust Coated
GSM	Standard
Density	High Density
Shape	Cylindrical
Thermal Conductivity	High
Glass Type	Not Applicable
Usage & Applications	DC Motor & Industrial Applications
Temperature	Heat Resistant
Thickness	Standard
