

THE MANUFACTURER

Omanlanka Corporation is an ISO 22000 certified family company manufacturing Nature's Gift brand Premium Quality Organic Natural Virgin Coconut Oil (VCO) for the international health-conscious consumer.

Our modern factory is situated at Puttalam within the coconut triangle of Sri Lanka, and we manufacture under the highest hygienic conditions adhering to all international food safety regulations.

Our VCO is extracted out of organically grown and certified fresh white coconut kernel (Not from Copra) It is Unbleached, Undeodorized, Unfermented, and with no solvents added. By this process, we preserve all the natural ingredients of Natural Organic Virgin Coconut Oil.

Every batch of our product is checked and certified by our in-house laboratory before releasing to the market. It has a shelf life of two years without adding any preservatives.

The company is registered with the FDA of the USA. Our packing comes in wide-mouthed glass jars of 150,200, 250,300,500 and 1000 ml. and 750 ml narrow-mouthed glass bottles.

Nature's Gift

Nature's Gift Organic Natural Virgin Coconut Oil is made from fresh coconuts organically grown in Sri Lanka.

It is cold-pressed at 50°C and 100% pure. No chemicals added at any stage of the production process.

- Certified Organic by the Control Union of The Netherlands.
- No added artificial colouring, flavours, preservatives, additives or chemicals.
- It is colorless and has a fresh fragrance and will solidify at < 24°C.
- Boost brain function in Alzheimer's patients.
- Heart friendly.

Massage Oil

Nature's Gift Organic Natural Virgin Coconut Oil is an all-time favourite, by massage therapists as a base oil enriched with natural nutrients found in Organic Coconuts that can be blended with essential oils for added aromatherapy benefits.

Hair Oil

Nature's Gift Organic Natural Virgin Coconut Oil is used as a hair oil to nourish and protect the hair and scalp.

Healthy Cooking

Nature's Gift Organic Natural Virgin Coconut Oil is an excellent cooking and frying oil that can be used for salad dressings as an alternative for vegetable oils, olive oil, fats or butter.

Skin Application

Nature's Gift Organic Natural Virgin Coconut Oil is also used as a non-cosmetic natural moisturiser for the skin, softens cracked heels and prevents stretch marks.
