About Us

Established in 2010, Kingcraft Industries has become a prominent manufacturer, supplier, and exporter specializing in stainless steel fabricated, die-pressed casters, mild steel casters, etc. With ISO 9001:2015 accreditation, we assure our clients of high-quality manufacturing standards, both in design and production processes. Our dedicated team of experts works tirelessly to drive innovation and continuous improvement.

Our company has been operating with two distinct divisions: one caters to the needs of retailers and wholesalers, while the other serves as an innovative boutique manufacturer for industrial customers, optimizing their operations. Embracing cutting-edge technologies, efficient processes, and robust management practices, we strive for excellence in every aspect.
