

## OXYGEN FREE COPPER

Always succeeding by impressing  
**customers**

Aluminium Bronze Centrifugal Casting, Bare Copper Conductors, Brass Billets, Brass Centrifugal Casting, Bronze Centrifugal Casting, Cadmium Copper Profiles and Sections, Copper Chromium Zirconium Alloys (CuCrZr) Billets, Copper Chromium Zirconium Alloys (CuCrZr) Centrifugal Casting, Copper Chromium Zirconium Alloys (CuCrZr) Short Circuit Ring, etc.

**ELECTROLYTIC ALUMINIUM SHORT  
CIRCUIT RING**

**OFFICE GRADE COPPER SHORT  
CIRCUIT RING**

**COPPER-CHROMIUM (CuCr)  
SHORT CIRCUIT RING**

## About Us

In the domain of manufacturing Copper & Copper Alloy Products, starting from Forging, Casting, Rolling, Extrusions, Drawing & Machining, we are counted amongst the foremost names in India. Founded in 1963, we produce all shapes, sizes and dimensions of Copper & Copper based Alloys as per ASTM, DIN, IS and other standards. Our ambition is to have the production of new products, as innovation is the key. Innovation, being the main belief, we aspire to produce new products. We assist the customers in manufacturing imported substitutes. Our company, Indian Metals & Alloys Mfg Co.(P) Ltd. has its own Rolling & Drawing Unit at Behala, Kolkata and also have Extrusion, Rolling, Forging, Foundry, Drawing and Machining Unit at Bishnupur, 24 pgs (South), West Bengal, India which is equipped with Mechanical, Physical, Electrical, Chemical and Ultrasonic Testing Facilities.

Our company is established in Kolkata, West Bengal, India and outfitted with all the requisite resources that help us have streamline business operations and ability to fulfill the requirements of our clients without any hassle. Besides, it is segregated into different units to run the business efficiently and complete all the orders of metal products on-time without compromising with the quality. Copper Flats, Cadmium Copper, Copper-Chromium (CuCr) Short Circuit Ring, Bronze Rod are among the many products that we develop in our infrastructure and provide to customers.

## Key Facts

<b>No of Staff</b>	100
<b>Year of Establishment</b>	1963
<b>OEM Service Provided</b>	No

## Our Products

**Silicon Copper Billets**

**Copper Chromium  
Zirconium Alloys**

**Copper-Chromium  
(CUCR) Profiles And**

**OFHC Grade Copper  
Profiles And Sections**

**ETP Grade Copper  
Profiles And Sections**

**Copper Chromium  
Zirconium Alloys**

**ETP Grade Copper  
Short Circuit Ring**

**Copper-Chromium  
(CuCr)**

**Cadmium Copper  
Profiles And Sections**

**Silicon Copper Profiles  
And Sections**

**Silver Bearing Copper  
Profiles And Sections**

**Phosphorous Bronze  
Profiles And Sections**

**ETP Copper Billets**

**DHP Copper Billets**

**Brass Billets**

**Copper Chromium  
Zirconium Alloys**

**INDIAN METALS & ALLOYS MFG CO.(P) LTD.**
