About Us

Goa Sintered Product Pvt. Ltd. (GSP) is a trailblazer in the powder metallurgy industry, equated with precision, performance, and reliability. Since 1979, we have been leaders in producing high-quality sintered self-lubricating bushes and sintered structural components for more than four decades. Having a distinguished record of catering to both domestic and overseas markets, we have emerged as a choice destination for customers looking for dependable, cost-effective, and technologically superior solutions. We are a reliable Supplier, Manufacturer, Exporter of Sintered Flange Bush, Sintered Spherical Bush, Sintered Bronze Bush, Sintered Bush, Sintered Cylindrical Bush, and more.

Our modern manufacturing plant is situated strategically in the picturesque state of Goa, India, only 5 kilometers from Margao Railway Station. Our plant is spread across 54,000 square feet with a built-up area of 16,160 square feet and is equipped completely with state-of-the-art technology, right from design to delivery, ensuring a hassle-free experience.
