About Us

Electronica HiTech Machine Tools Pvt. Ltd. is a division of **SRP Electronica** group which was established in 2007, after the reorganization of formerly known Electronica group. Under the leadership of our Chairman Mr. S. R. Pophale, the group expanded into many areas like sheet metal components manufacturing, machine tool trading, carbide manufacturing and equipment finance.

Electronica HiTech Machine Tools Pvt. Ltd. is focused on the Metal Cutting and Metal Forming industries. We have more than 30 years of experience in machine tools, and delivered more than 3000 machines across India, which are being well supported by our all-India Network. Recently, we have re-started our EDM machine unit for catering the requirements of customers requiring EDM and wire cut machines. We believe in providing best-in-class manufacturing solutions in entry segment, mid segment and high-end segment.

Under the category of Metal Cutting Machines, we offer Metal Sheet Shearing Machine, Hose Cutting Machine, Vertical Machining Centers, Boring Machines, Double Column Machining Centers, CNC Lathe, Surface Grinding Machines, Gear Cutting Machines i.e. CNC Gear Hobbing, Horizontal Machining Centers, Die Casting Machines, Turning Centers, Vertical Turret Lathes, etc.
